8/21/03 A02-07-050 SBC Pacific Bell Telephone Company (U 1001-C), a corporation, for Authority to Categorize Local DA Service as a Category III Service.

Summary: On August 18, 2003, William Johnston, public utilities regulatory analyst, Office of Ratepayer Advocates (ORA), met with Tom Long, advisor to Cmmr. Lynch, Jonathan Lakritz, advisor to Cmmr. Wood, and Robert Wullenjohn, advisor to Cmmr. Brown, in three separate meetings in San Francisco. Also present were James Simmons, public utilities regulatory analyst, and Monique Steele, staff counsel, for ORA. A redacted written material (attached to the notice) was used (confidential information is attached and filed under seal with the ORA's August 22, 2003 motion to file under seal). ORA representatives expressed its opposition to the alternate that would allow Pacific Bell Telephone Company's (SBC) application to proceed with the finding that there is substantial evidence that the market for Local Directory Assistance has changed. ORA also expressed its support of the draft decision that would dismiss the application without prejudice and ORA's proposal that the application be refiled after a final decision in the current New Regulatory Framework proceeding. ORA representatives said that hearings will be necessary and that the record in this proceeding is incomplete. ORA argued that approval of SBC's recategorization application will mean reduced usage by customers who cannot afford SC's higher Directory Assistance rates following recategorization, and that would result in further job cuts for operators.
